World Spirits
Competition**

Gluten Free

50% ABV

**Proudly Distilled
and Produced in
Telluride, Colorado**

Chairlift Warmer is our own spin on the European-Alp ski town's favorite spirit and we have elevated it to another level. With a clean peppermint flavor and the perfect amount of sweetness, we reinvented a mountain town favorite that is perfect on the slopes or for Après afterwards. Never sacrificing on flavor, our Chairlift Warmer is gluten free with zero artificial adjuncts.
