

TELLURIDE DISTILLING COMPANY

VODKA

2018 Bronze
Medal Winner
San Francisco
World Spirits
Competition

Gluten Free

40% ABV

Proudly Distilled
and Produced in
Telluride, Colorado

Telluride Vodka is based on the history of the mining camps surrounding Telluride Colorado, where four to five tons of sugar were brought in by railway each week specifically to make vodka. We decided to keep that tradition alive by using 100% sugar cane, creating a premium, ultra-smooth, gluten-free vodka that while is still odorless and tasteless, the sugarcane creates a luxuriously creamy mouthfeel.
